Our sympathies go out to the incoming law, "Its seat is the bosom of God, and its voice the harmony of the universe." Men are apt to confound the stupid sophisms of the petitioger, and the corrupt "way that are dark and tricks that are vain," of the so-called "courts" of Dog, berrys, with the beautiful and equitable, just and reasonable theories, nice and accurate and perfectly adjusted application and operation of the law. They hold up in illustration of the law. They hold up in illustration of the ir severe criticism the example of Jefferies, or the solled character of some subsidized appointee of the bench, and triumphantly exclaim," Behold the perfection and purity of law!" But they forget the long line of illustrious they honored and revered for the spaces and the purchasing and justice characterizing and justice characterizing. The cause of this very said state of affairs is accountable to their future welfare. The cause of this very said state of affairs is accountable to their future welfare to their future seems and the corrupt honored and revered for the spotless purity of their lives, the wisdom,
learning and justice characterizing
